WESTCROFT GARDENS

GROSSE ILE, MICHIGAN

Telephone ORleans 6-2444

WESTCROFT GARDENS, Grosse Ile, Mich.

This list of Ornamental Evergreens, Shade Trees, Shrubs and Vines, is arranged alphabetically by their botanical names, followed by the English name.

The symbols B&B indicate that variety is furnished with roots balled and burlapped at the price stated.

ORDERS are subject to stock being unsold upon receipt.

PRICES are subject to change without notice.

Westcroft Gardens warrants to the extent of the purchase price that nursery stock is true-to-name and as described within recognized tolerances. Seller gives no other or further warranty, express or implied, and will under no circumstances be liable for more than the invoice value at the time of purchase.

Best grade for sun	per lb.
Best grade for shade	per lb.

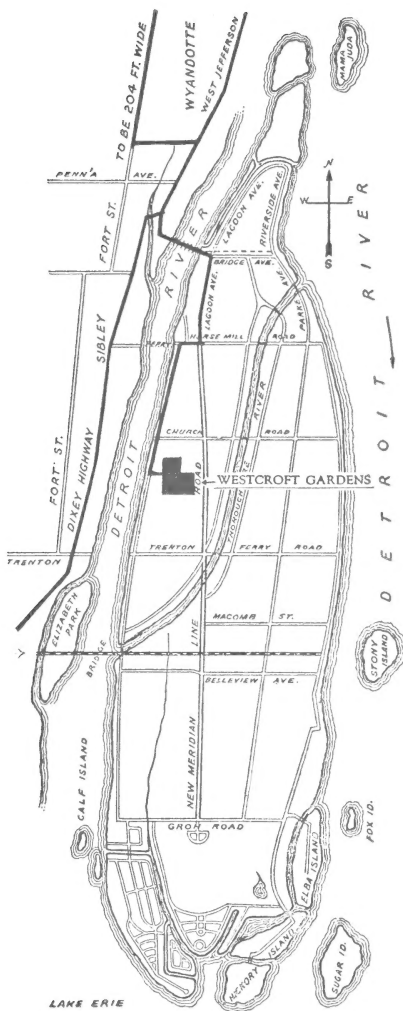

PEAT MOSS

Large bales	5.50
--------------------------	------

Rhododendrons and many other broad-leafed evergreens can be successfully grown in Michigan if proper attention is given to soil acidity, drainage and feeding.

We recommend that they be planted in peat moss with an eastern or northern exposure. If they are treated with our acid soil conditioner called Greenleaf Compound, they will reward the grower with lustrous deep green foliage throughout the year and gorgeous flowers in May and June.

Pachysandra Terminalis

\$24.00 per C
